

Proudly Represents the following lines:

ACCU-SORT

- Bar Code Readers
- Bar Cameras

Linear Displacement Transducers

- Resolvers
- Programmable Limit Switches
- Catrac Cable Carriers
- Cam Based Limit Switches
- Safety Meters
-

- Interact Xpress Client- Server HMI
- Interact X Windows based HMI/SCADA
- Industrial PCs and Monitors
- Interact HMI
- Revolutionary Marquee and Production Monitors
- Integration to Servo Control
- Parker Extruded Aluminum Structural elements

- Industrial Routers, Industrial Wireless
- Routers , VPN

- All in one web based 3D Smart Image Sensor
- Megapixel imager for measuring micron level details
- Tag and track output decisions
- Inspection, gauging, error proofing

- Enclosure Cooling Systems
- Enclosure Heating
- Fans
- Heat Exchangers
- AMERICAN MADE

- Infrared Hot Metal Detectors
- Pyrometers
- Laser & Microwave Velocity Meters
- Hot Metal length Measurement Systems
- Turn-key Solutions

- Gateway and PCI Solutions for Fieldbus and Industrial Ethernet
- Embedded OEM Communications Solutions for Fieldbus and Industrial Ethernet
- Software and Tools For Fieldbus and Industrial Ethernet

- Sensors solutions ranging from proximity to ultrasonic
- Contactors, relays, soft starters, solid state relays
- Power supplies, temperature controls, energy moni-

Transformers & Inductors

- Power
- Line
- Regulating
- Chokes & Reactors
- Audio

- All in one Operator Control Stations
- Built in IO with Ladder Logic Control Engine
- One programming software package
- Completely networkable
- Expandable IO system

- Low cost multi-pin industrial connectors
- Plugs & Sockets

Midwest Engineering & Automation

Proudly Represents the following lines:

- Laser Distance Sensors
- Grids
- Barcode Readers
- Light Curtains

Hot Metal Sensors and Lasers

- Control Panels built to customer spec
- Custom designed and engineered Panels
- Engineering and Programming for PLC and HMI Applications , motion
- Machine Vision Development

- Industrial Ethernet Switches
- Remote I/O Servers
- Embedded Computers
- Media Converters
- Wireless and Cell Modems
- Serial Servers

- Power Supplies and Control Transformers
- Intelligent Current Distribution
- Programming Ports

World Class Electrical Enclosures NEMA , Non Metallic , Standard and Specials
HARSH and HAZARDOUS Environments

- Rotary Encoders
- Linear Transducers
- Laser Sensors
- Di-Soric Sensors

- Cable Assemblies
- Quick Disconnects
- Custom Over-molded Solutions
- Cable Harness Solutions

- Cables & Receptacles
- Ethernet Connectors

- Cable Drag Chain Systems
- Cable Entry Systems

- Industrial Monitors
- Industrial PCs
- HMI and Operator Interface Panels

- Radio Identification and Solu-

- Industrial AB Clone PLC solutions
- PAC, DCS & RTU Solutions
- Industrial I/O and HMI /SCADA Solutions

- Cage Clamp Terminal Block Systems
- Fieldbus IO-Programmable and Non Programmable

- AC Variable Speed Drives
- Vector
- Micro Drives
